REGION

Veneto

The Veneto is an extremely important region in the north-east of Italy, stretching from the west at the shores of Lake Garda as far north as the Alps, the Austrian border and the Venetian hinterland. It is Italy's largest wine-producing region. DOC wines represent well over a quarter of total produc... Read More

GRAPE

Garganega

Garganega is a particularly late-ripening white grape variety mostly found in the Veneto in North-East Italy. Its most famous expression is the Soave for which the region is renowned, in which it may constitute between 70-100 % of the blend. In practice, many of the better wines of the region are of... TASTING NOTES

Monte Tondo Soave Classico 2022. Sourced from grapes grown in the chalky soils of Corte del Sole's finest vineyards. This Soave Classico has a fantastic aroma of yellow apples, zesty citrus and white flowers followed with a smokey note. The palate showcases a balance of fruit and minerality, making this a wine that is elegant and complex.
