

THE JASCOTS
INTERNATIONAL
WINE CHALLENGE

When you've hit the budget, done the deal, survived the conference and are looking for some tip-top entertainment, it is absolutely right to mark the occasion with a professional, impressive and, most of all, fantastically FUN event.

The Jascots International Wine Challenge is the stuff of legend, unforgettable to all those who take part. A unique, witty and occasionally irreverent look at the art of Wine Tasting, 'The Challenge' can be competitive, is often boisterous and always joyously inclusive. It is the perfect antidote to stuffy and boring wine lectures and has always been enjoyed equally by wine enthusiasts and total beginners.

HOW DOES IT WORK?

The evening starts with a glass of bubbles and moves rapidly into a hilarious, exciting and informative fine wine tasting. 'Players' are divided into teams ready to take on a selection of six to eight fantastic wines whose identities have been carefully concealed.*

Prompted by a multiple-choice question sheet, complete with pitfalls and booby traps, teams will face five questions on each wine. Jascots' expert staff will be on hand at all times with a hint, a tip or a total red herring depending on the state of the game. Joker cards are played, red and yellow cards are waved and there's inevitable cheating, blackmail, skullduggery and forfeits galore.

Frequent 'tottings up' of each team's points build the excitement and finally, amid feverish tension, 'To the victor the spoils'! Prizes are awarded and to make quite sure the evening continues to flow and the atmosphere remains entirely convivial, we draw the cork on some impressively large bottles of wine, Imperials (6L) or Double Magnums (3L).

THE PRIZES

Prizes for each member of the winning teams (first and second places) are most often a delicious magnum or bottle of wine in a smart presentation box.* Last but not least the infamous Jascots Wooden Spoon awaits the team with the fewest points.

VENUES

We have staged The Jascots International Wine Challenge everywhere from the 30th floor of the Gherkin to a back garden marquee; we've even been abroad to entertain friends and clients. TESTIMONIALS FOR THE JASCOTS INTERNATIONAL WINE CHALLENGE

I just wanted to say big thank you for last night, I had so many people stopping me this morning and letting us know that they had great fun. You have done a great job and without you the evening would not be such a great success. We will definitely be in touch in the future.

Leading Financial Services Company

Just a quick note to thank you again for a splendid evening last night. ★★★★★★ are one of our key clients, so it was essential that we impressed them; I think we exceeded expectations on every level! This was due chiefly to your excellent performance. The feedback we have had is that everyone enjoyed themselves - your expansive wine knowledge, jocular but firm marshalling of the evening, and wonderfully relaxed attitude all contributed to making the evening a great success. Overall, a fantastic evening was had by everyone, and I am very grateful to you and all your team for your hard work. With many thanks once again,

Commercial Property Company

A really terrific event and very positive feedback from the attendees. I enjoyed it greatly, myself! It really gelled well, much of it thanks to you! I'll certainly be looking at events where we can use you again.

IT and business services company

We had people leaving saying it was the best wine tasting they had ever attended; I think they were expecting a much more run of the mill evening. You are a genius! Thanks for giving us such a good night - such a good series of nights! We really enjoy having you in, and I hope we aren't too rumbunctuous for you.

PS the wine wasn't bad either!

City Law Firm

The feedback from the hosts has been great and there was a real buzz with them on Friday! It seems they really enjoyed themselves as did our guests. Fabulous 'thank you' emails are already flowing in.

Private Bank

I've attached the first of the emails we have had from our clients following last night's superb event. As you can see it was enjoyed by all, I particularly like this comment from one of the members of the winning team: "I thought that the whole evening was excellent and your team is a real credit to Frettens and I think you have really laid the gauntlet down to the other solicitors in the area." I think I'll put that in my cv!! You will also see ★★★★★★ thought the event was excellent and one has even commented to me this morning that it was money well spent - praise indeed. Thanks for all your efforts, which make my job easier and also made the event truly memorable for our guests.

Major Law Firm

Really enjoyed the wine challenge, best wine tasting event I've attended by a long long way.
