### GROWER

#### Fidora

In 1974 Guido Fidora decided to convert the family to organic agriculture, eliminating the use of pesticides, herbicides and chemical fertilizers. To the family, being organic doesn't only mean to go back to some "good old principles", it means to move a step forward in terms of quality, health, sus... [Read More](#)

### REGION

#### Veneto

The Veneto is an extremely important region in the north-east of Italy, stretching from the west at the shores of Lake Garda as far north as the Alps, the Austrian border and the Venetian hinterland. It is Italy's largest wine-producing region. DOC wines represent well over a quarter of total produc... [Read More](#)

### GRAPE

#### Glera (Prosecco)

Glera is the name by which the grape Prosecco is now officially known. This changed in 2009 when Prosecco di Conegliano-Valdobbiadene was promoted to full DOCG status (the highest level of Italian wine quality). It has grown for hundreds of years in Veneto and Friuli regions in Italy. A white grape v... [Read More](#)
