GRAPE

Petite Sirah

Petite Sirah is a very distinctive grape variety with small "Petite" dark black berries. Naturally high in tannins and acidity Petite Sirah can age exceptionally well and makes deep, rich and complex wines. Flavours often associated with the wines are blackberry, chocolate and black pepper, in other... [Read More](#)

TASTING NOTES

The Crusher Petite Sirah is a deep, inky color in the glass with sweeping, signature aromas of blueberry, blackberry, and fig jam. The aromas lead to a rich palate where the juicy fruit flavors mingle with notes of toasted almond and clove spice. 12 months in a combination of French, Hungarian and American oak, gives the final blend of soft texture with fine, well-integrated tannins.
