### Mas Des Caprices

The wines from Mas Des Caprices are amazingly pure, elegant and authentic examples of the appellations, winemaking is organic (biodynamic certification in application), with minimum intervention and low or no sulphur. The wines could be called "natural" though their clear and precise flavours are cl... [Read More](#)

### Carignan

Carignan is a late-ripening, black grape variety mainly cultivated in southern France and appearing equally frequently as a 100% varietal and blended wine. It also plays a major part in the Priorat wines of Spain, known locally as Carinena, where some of the finest Carignan dominated wines are to be... [Read More](#)
