## GROWER

### Monte Tondo

Vine-grower Gino Magnabosco, together with his family, continues wine-making in the best traditions handed down by his ancestors over three generations - a love for the land and the knowledge that the best results can only be obtained by hard work, determination and experience. Just like skilled craf... [Read More](#)

## REGION

### Veneto

The Veneto is an extremely important region in the north-east of Italy, stretching from the west at the shores of Lake Garda as far north as the Alps, the Austrian border and the Venetian hinterland. It is Italy's largest wine-producing region. DOC wines represent well over a quarter of total produc... [Read More](#)

## GRAPE

### Garganega

Garganega is a particularly late-ripening white grape variety mostly found in the Veneto in North-East Italy. Its most famous expression is the Soave for which the region is renowned, in which it may constitute between 70-100 % of the blend. In practice, many of the better wines of the region are of...
