REGION

Abruzzo

Abruzzo is a mountainous region in central Italy, with a significant Adriatic coastline. It is Italy's fifth most significant wine-producing region by volume. Like much of Italy, the region enjoys a warm climate and this is combined with an extensive variety of favourable, hillside sites that stretch... [Read More](#)

GRAPE

Montepulciano

Montepulciano is a high quality, vigorous red grape variety native to central Italy. It should not be confused with the wine known as Vino Nobile di Montepulciano, which is named for town of its origin and made from an entirely different variety. Wines made from the variety are typically deep in color... [Read More](#)
