GROWER

Garage Wine Co.

Located in the Chilean Mountains, close to the Pacific are a number of vineyards belonging to husband and wife team, Derek and Pilar. The Garage wine company started in the early 2000's when the pair begun casually making wines for their family and friends. After half a dozen vintages, Garage Wine C... [Read More](#)

GRAPE

Semillon

Semillon is a golden variety of white grape that has its roots in south west France, and is certainly one of the unsung heroes of the wine-making world. It is a key component of such famous wines as Sauternes, dry whites from Graves and is famous for its unique style produced in the Hunter Valley in... [Read More](#)

TASTING NOTES

Rich and citrusy Semillon, with notes of lemon, candied peel, honey and bee pollen, undercut nicely by razor sharp acidity. Protective winemaking has preserved Semillon's natural freshness and vibrancy, whilst extended skin contact has lent a pleasing heft and great flavour extraction. Drink now, or age for 10+ years.
