TASTING NOTES

This very elegant and full-bodied white wine of a lively and bright straw yellow color opens with an alluring bouquet of aromatic spring herbs developing then into aromas of acacia, linden, apricot and fresh almond. It also has citrus fruit aromas and a mineral scent. In the mouth it is very persistent. It is well balanced with a rich alcohol zing, acid freshness and sapidity. Characteristically it has a bitter almond finish, which is the typical recurring element of this varietal.
