## TASTING NOTES

From the cultivation of the vineyards to the care and processing of the grapes and wine, the „Reinheitsgebot“, or purity law, of the church must be obeyed. Messwein cannot be produced without the permission of the bishop, and it must be only natural and unaltered. Rosé Messwein captivates by the fruitiness of Zweigelt and the fine elegance of Pinot Noir. Juicy, crisp, zesty and aromatic on the nose and on the palate.
