

## CHICHIBIO PECORINO TERRE DI CHIETI, ORGANIC

### REGION

### Abruzzo

Abruzzo is a mountainous region in central Italy, with a significant Adriatic coastline. It is Italy's fifth most significant wine-producing region by volume. Like much of Italy, the region enjoys a warm climate and this is combined with an extensive variety of favourable, hillside sites that stretch... [Read More](#)

### GRAPE

### Pecorino

Pecorino is a lightly skinned white varietal commonly grown in central Italy. Dry and mineral, it offers good acidity as well as high ripeness giving relatively generous alcohol content. A variety hard to grow due to low yields, it performs well at high altitude.

## TASTING NOTES

This pecorino exhibits a moderate level of polyphenols with a delightfully complex and lingering bouquet of flowers, fruits (especially tropical fruits), dry vegetables, and notes of spice. On the palate it is fresh and well-balanced with mineral finish.
