

# **GEVREY CHAMBERTIN VIEILLES VIGNES**

# TASTING NOTES

Gerard Seguin Gevrey Chambertin Vielles Vignes 2021. The 2021 vintage was challenging yet rewarding in Burgundy. Frost in spring reduced yields, while a mild summer preserved freshness and acidity. From vines planted in 1920 and 1950 on the stony Combe Grisard alluvial cone, this wine shows precision and depth. Aromas of black fruit, spice, and earth lead to an elegant, concentrated palate with fine tannins and a long finish. Traditional vinification included manual harvest, indigenous yeasts, and 15 days of vatting, followed by 12–18 months on lees in French oak (30% new) from Allier and Limousin.

## **GROWER**

## **Gerard Seguin**

Seguin's wines come mainly from old vines between 60-90 years old planted in south facing, free-draining stone based soils and consistently produce wines of great power, concentration of fruit and longevity. Winemaking is very traditional - hand harvesting, cold maceration and 18 months maturation i... Read More

#### **REGION**

## Burgundy

Burgundy is a region in eastern France famous for its red and white wines made almost exclusively from Pinot Noir and Chardonnay respectively. Sparkling wine, known as Cremant de Bourgogne, is produced using the traditional method, usually from a blend of these grape varieties. Vineyards are based on... Read More

## **GRAPE**

#### **Pinot Noir**

Pinot Noir is the grape variety used in all quality red wines from Burgundy, and as a varietal wine in several parts of the New World, most notably New Zealand, California and Chile. It is also one of the three grape varieties commonly used in the production of Champagne and other traditional method... Read More
