REGION

Friuli

The Friuli region is nestled between Veneto and Slovenia at the crossroads of Europe's Mediterranean and central European cultures. This translates into fascinating wines which have made the region famous for its complex whites and seriously structured reds from blends, international varieties or lo... [Read More](#)

TASTING NOTES

Castelvechio Malvasia Dileo 2022. This bold yet elegant wine is produced after a careful selection of the best Istrian Malvasia grapes. This wine sees extended lees contact for complexity. Intense aromatics of ripe stone fruit, honeyed notes, and a touch of spice complement a rich, layered palate balanced by freshness.
