GRAPE

Grillo

Grillo is a native southern Italian wine grape now mainly cultivated in Sicily where it has long been used as the base for the finest wines from Marsala. It produces wines that are a study of texture rather than fruit, with a broad and rich mouthfeel and mineral edged ripe lemon fruit.

TASTING NOTES

Rocarosa Grillo Sicilia 2022. This Grillo vintage opens with a bright and ripe citrus bouquet of lemon zest and apples, followed by Mediterranean herbs. The palate is crisp and full of vibrant acidity with notes of pear and lime with a clean herbal finish.
