REGION

Provence

Provence is an important wine producing region in southern France. Named by the Romans as provincia nostra ("our province"), the region produces white, red and rosé wines from a wide variety of different grape varieties. Rhône varietals such as Syrah and Grenache perform particularly well in the war... [Read More](#)

TASTING NOTES

The Moon Rosé© is a collection that represents the three phases of the lunar cycle shining on the vineyards when the individual parcels of the varietals are collected (Grenache, Caladoc, Cinsault). It is a delicately pale pink with aromas of alluring strawberry and red cherry followed by ripe peach. On the palate there is vibrant grapefruit and citrus with intense red fruit flavours. Crisp and endlessly refreshing.
