	Grape Variety	Melon de Bourgogne
	ABV	12.00
	Closure	Natural Cork
	Allergens	Sulphites
	Method	
	Product SKU	DERAMEMUSCVV18

TASTING NOTES

Derame Muscadet Vieilles Vignes 2018. Alexandre Derame's Vieilles Vignes comes from extremely low yield 35-year plus vines grown on grabbo soils. The wine is aged for at least three years before release as this allows the wine to soften and open. This is an intense, linear and expressive Muscadet with bright flavours of green apple, oyster shell minerality, lemon zest and digestive biscuit notes from lees stirring. A tense nervosity with great complexity and challenges Muscadet's reputation (in the best way!) as an easy-going wine to be enjoyed young.

Food Matches

Cured Trout with Green Apple, White Wine Matelote & Beurre Blanc with Sea Bream

REGION

Loire

The Loire Valley is a well known wine producing region of Central France, defined by the river Loire which runs through it before emptying into the Atlantic Ocean. The region itself is so large and diverse that generalisations about terroir and soils are impossible, but the most well-known appellati... Read More

GRAPE

Melon de Bourgogne

Melon de Bourgogne, is a white grape varietal grown in the western Loire Valley. It is best known as Muscadet where it makes light, dry and refreshing white wines with characteristic green apple and citrus fruit flavours. Extra richness is often given by the Sur Lie method which involves aging the w... Read More
