GRAPE

Viura

Viura is a white grape variety widely grown in the Rioja region of north-eastern Spain (outside of Rioja it is more commonly known as Macabeo) where it appears commonly as both oaked and un-oaked wines. In its un-oaked form the wines are typically well-suited for relatively early consumption and eas... Read More

TASTING NOTES

Ramon Bilbao Journey Collection Rosado 2023. Crafted from 80% Garnacha and 20% Viura from high-altitude vineyards up to 700m. This Rioja rosÃ© takes inspiration from Provence. It offers fresh lime peel, red fruit and blossom aromas with vibrant acidity. Smooth and effortlessly drinkable, itâ€™s a modern, refined expression of Rioja.
