GROWER

Barone di Villagrande

Jascots were delighted to welcome Barone di Villagrande to the portfolio in 2023, their family estate is truly breathtaking. The 18 hectares of vineyards were planted in 1727 at 700m above sea level on the Eastern side of Mount Etna. Their estate is geologically distinct compared to most others. Vo... [Read More](#)

GRAPE

Carricante

Carricante is a native white wine grape variety from eastern Sicily. It is believed to have been growing on the volcanic hills of Mt Etna for over a thousand years. Today it is the principal grape for white wines to be classified as an Etna DOC. Known for its acidity, refreshing citrus flavour and ... [Read More](#)

TASTING NOTES

Barone di Villagrande Etna Bianco Superiore 2023. Grown on a 700 metre elevation on volcanic soils, this white wine is pronounced and complex aromas of white flowers, herbs and just-ripe white fruit. On the palate high acidity and persistent minerality give a vertical, elegant wine, perfectly balanced by fruit concentration.
