REGION

Mendoza

The largest and most important wine-growing region in Argentina, Mendoza is in the extreme west of the country, significantly separated from the Chilean border by Andes mountains. These mountains are by far the region's most dominant feature, providing shelter for the vineyards which lie at an altit... [Read More](#)

GRAPE

Chardonnay

Chardonnay is arguably the best known and most versatile white grape variety in the wine world. Its traditional homeland is that of Burgundy, where it is responsible for such names as Chablis, Meursault and Puligny-Montrachet to name but a few, but it has also found success in almost every wine-prod... TASTING NOTES

Argento Andes Soul Chardonnay 2022. Hand picked grapes are gently chilled and fermented in stainless steel, with a small portion briefly aged on French oak for a hint of spice. The result is a smooth, medium bodied Chardonnay with ripe peach and melon flavours, balanced acidity, and a light touch of vanilla.
