## ANDES SOUL CHARDONNAY

#### **REGION**

#### Mendoza

The largest and most important wine-growing region in Argentina, Mendoza is in the extreme west of the country, significantly separated from the Chilean border by Andes mountains. These mountains are by far the region's most dominant feature, providing shelter for the vineyards which lie at an altit... Read More

### **GRAPE**

#### Chardonnay

Chardonnay is arguably the best known and most versatile white grape variety in the wine world. Its traditional homeland is that of Burgundy, where it is responsible for such names as Chablis, Meursault and Puligny-Montrachet to name but a few, but it has also found success in almost every wine-prod... # **TASTING NOTES**

Argento Andes Soul Chardonnay 2022. Grapes are hand-picked and cold macerated before fermentation in stainless steel tanks, with a portion aged briefly on French oak staves for added complexity. Partial malolactic fermentation lends a creamy texture while maintaining freshness. Aromas of ripe peach, melon, and a whisper of vanilla precede a smooth, medium-bodied palate where tropical fruit meets balanced acidity.
