GRAPE

Sauvignon Blanc

Sauvignon Blanc is a renowned white grape variety grown all around the world. It is known for its bright acidity, herbal notes, and citrus flavours. Sauvignon Blanc wine can be light-bodied, refreshing, and easy to drink, or complex and rich with layers of flavours and aromas.

TASTING NOTES

Goleta Sauvignon Blanc. Grown in Valle, Central Chile, this Sauvignon thrives off lower rainfalls and warmer days on subtle slopes, which help support the wines light and aromatic liveliness. On the palate, expect refreshing and zesty notes of lemon and lime with a pinch of acidity, and bright aromas of green bell pepper, citrus and herbs. This is a refreshing wine with crisp acidity that will have you coming back for more.
