GRAPE

Merlot

Merlot is a red grape variety, famous for its use in the great wines of Pomerol and St-Emilion on Bordeaux's right bank and now of immense popularity the world over, competing with Cabernet Sauvignon as the most planted black grape. It is used both as a single varietal where it produces wines of a f... [Read More](#)

TASTING NOTES

Goleta Merlot Non-Vintage. Straight from Chile's Central Valley, this Merlot is fermented in stainless steel to retain the bright, fresh fruit character of the grapes. After fermentation, part of the wine remains in stainless steel, while another portion is aged for 4-6 months in oak barrels to lend gentle complexity. The result is a medium-bodied red with soft tannins, smooth red berry flavors, and a clean, balanced finish.
