REGION

Provence

Provence is an important wine producing region in southern France. Named by the Romans as provincia nostra ("our province"), the region produces white, red and rosé wines from a wide variety of different grape varieties. Rhône varieties such as Syrah and Grenache perform particularly well in the war... [Read More](#)

GRAPE

Cinsault

Cinsault is a classic red grape variety of the Languedoc that has much in common with Grenache. It tends to produce lighter, softer and more approachable reds than many other grape varieties, and as such its pretty, delicate red and summer fruit flavours are particularly suited to the production of ... TASTING NOTES

Chateau d'Astros Augustine Provence Rose Magnum 2023. This magnum rose combines aromas brim with exotic lychee and rose petals, red berries, and lime zest, rounded by a tropical fruit profile. This rose was planted on limestone soils in the Var region of France benefiting from Mediterranean climate. This vintage was an early harvest, and followed by a cold fermentation in stainless steel.
