REGION

Friuli

The Friuli region is nestled between Veneto and Slovenia at the crossroads of Europe's Mediterranean and central European cultures. This translates into fascinating wines which have made the region famous for its complex whites and seriously structured reds from blends, international varieties or lo... [Read More](#)

TASTING NOTES

Castelvechio Vitovska 2023. The Vitovska grape is an indigenous grape to the Karst area in the region of Friuli-Venezia Giulia. This wine undergoes gentle vinification to highlight its unique profile. Aromas of wildflowers, pear, and savory herbs lead to a firm, structured palate with pronounced minerality and a long, elegant finish.
