### REGION

#### Provence

Provence is an important wine producing region in southern France. Named by the Romans as provincia nostra ("our province"), the region produces white, red and rosé wines from a wide variety of different grape varieties. Rhône varietals such as Syrah and Grenache perform particularly well in the war... [Read More](#)

### GRAPE

#### Cinsault

Cinsault is a classic red grape variety of the Languedoc that has much in common with Grenache. It tends to produce lighter, softer and more approachable reds than many other grape varieties, and as such its pretty, delicate red and summer fruit flavours are particularly suited to the production of ... ## TASTING NOTES

Chateau d'Astros Amour Provence Rose 2024. Done in stainless steel to preserve the freshness, this rose is elegant and complex, with aromas of white flowers, small red berries, pink grapefruit, pear and nectarine. On the palate, a vibrant freshness is portrayed with notes of melon, enveloped in a silky texture, finishing with a spicy finish.
