TASTING NOTES

Spier Seaward Chenin Blanc 2023. Harvested from cool-climate Coastal Region vineyards on granite soils and cooled by Atlantic air, the 2023 Chenin Blanc is shaped by a climate ideal for preserving acidity and aromatics. It opens with enticing notes of citrus, pear, and melon, framed by a subtle floral touch. The palate combines creamy textures with notes of dried fruit and minerals, while fresh top-fruit flavors provide lift. A lingering finish combines zesty vibrancy with gentle spice and steely purity, offering a textural elegance that is both food-friendly and refined.

GRAPE

Chenin Blanc

Chenin Blanc is perhaps one of the world's most versatile grape varieties, used for bone dry, white table wine and sparkling wines right through to some of the longest-lived sweet wines to be found. Broadly speaking, Chenin exhibits floral aromas, crisp green apple flavours and zippy acidity, while ... [Read More](#)
