GRAPE

Carignan

Carignan is a late-ripening, black grape variety mainly cultivated in southern France and appearing equally frequently as a 100% varietal and blended wine. It also plays a major part in the Priorat wines of Spain, known locally as Carinena, where some of the finest Carignan dominated wines are to be... [Read More](#)

TASTING NOTES

Garage Wine Old Vine Pale Rose 2022. Coming from vines as old as 75 years, this is lively and crisp rose with smoked strawberry and cherry aromas. On the palate, expect a burst of fresh red berry flavors such as cranberry, strawberry and a hint of pomegranate followed by acidity and an oily texture on the finish.
