REGION

Veneto

The Veneto is an extremely important region in the north-east of Italy, stretching from the west at the shores of Lake Garda as far north as the Alps, the Austrian border and the Venetian hinterland. It is Italy's largest wine-producing region. DOC wines represent well over a quarter of total produc... [Read More](#)

TASTING NOTES

Prosecco Rose Extra Dry 2023. This is a lovely sparkling rose wine made from the charmat method. The sparkling is characterized by delicate aromas of wild strawberry, cherry and berries with elegant notes of lemon to follow. The palate is crisp and light with lively acidity with subtle hints of pomegranate with a persistent perlage.
