### GRAPE

### Grillo

Grillo is a native southern Italian wine grape now mainly cultivated in Sicily where it has long been used as the base for the finest wines from Marsala. It produces wines that are a study of texture rather than fruit, with a broad and rich mouthfeel and mineral edged ripe lemon fruit.

### TASTING NOTES

Terre di Vita Colline dell Rose Grillo 2023. This is an organic and pleasant rose, with aromas of the sea, and citrus with a touch of strawberry. On the palate, expect a fresh and zesty mouthful of lime and pear with a smooth and balanced finish with volcanic minerality.
