REGION

Veneto

The Veneto is an extremely important region in the north-east of Italy, stretching from the west at the shores of Lake Garda as far north as the Alps, the Austrian border and the Venetian hinterland. It is Italy's largest wine-producing region. DOC wines represent well over a quarter of total produc... [Read More](#)

GRAPE

Garganega

Garganega is a particularly late-ripening white grape variety mostly found in the Veneto in North-East Italy. Its most famous expression is the Soave for which the region is renowned, in which it may constitute between 70-100 % of the blend. In practice, many of the better wines of the region are of... TASTING NOTES

Elegant and balanced, this wine offers aromas of white peach, melon, and a touch of almond. On the palate, it is smooth and harmonious, with gentle acidity and a soft, lingering finish that reflects its DOC typicity.
