TASTING NOTES

Belleplane Syrah 2023. With a deep purple hue and lightly aged in French oak, this 100% Syrah is multi-layered, with aromas of black cherry, plum and black olive. It underwent fermentation in stainless steel, with ageing in older french oak barrels with lees stirring to enhance the texture. The palate is filled with smooth tannins lead to a long, bold and delicious length with a mouthful of toasty almond, vanilla and cherries.
