REGION

Campania

Campania is a beautiful region in southern Italy centred around Naples. Abundant sunshine, hillside vineyards and volcanic soils make the region well-suited for the production of quality wine, which is concentrated mainly on local, traditional grape varieties. Of these, Aglianico produces superb red... [Read More](#)

GRAPE

Aglianico

Aglianico is a dark-skinned, very late-ripening variety producing some of the world's most age worthy red wines. Though it can be found scattered across most mountainous regions of Italy's south, its best expressions usually come from areas with volcanic soils such as Taurasi, Taburno and Vulture. I... TASTING NOTES

Mastroberardino Lacrimarosa Irpinia Rosato 2023. Lacrimarosa is a delicate rosé crafted from 100% pressed Aglianico grapes grown in the hills of Irpinia. Its pale pink hue introduces a fragrant bouquet of white peach, peony, strawberry, raspberry, and subtle plum notes. On the palate, it is soft and fresh, with vibrant flavors of wild strawberries and an enticing peach-driven finish.
