GRAPE

Merlot

Merlot is a red grape variety, famous for its use in the great wines of Pomerol and St-Emilion on Bordeaux's right bank and now of immense popularity the world over, competing with Cabernet Sauvignon as the most planted black grape. It is used both as a single varietal where it produces wines of a f... [Read More](#)

TASTING NOTES

This cuvée incorporates the thematic "Material". A series of wines aged for 12 months in the cellar for which we have chosen to claim the container through the material of the labels. For our ROUGE BETON cuvée, we chose the concrete relief aspect of the ovoid vats used. A red wine with ruby highlights, expressive nose, complex, long and fresh in the mouth, the tannins are fine and melted.
